

TEA

August 12, 2011

Dear Members,

I hope that you had the time these past few days to prepare your rooms and continue your planning for the new year.

You should have received your contracts via email and for your convenience you can accept on line. Please check that your base salary and the 301 dollar amounts equal a 3% increase from last year. Stipends (longevity and advance degrees) are referenced as compensation only with no dollar amount and will be included in your pay checks per the TEA Agreement. Should you qualify for a stipend please check your first pay statement to make sure your stipends are added.

You should be able to find additional information in the Contract FAQ on the TUSD Intranet and it will also be posted on the TEA Website.

If you find any discrepancy in your contract please notify TEA immediately and we will help resolve quickly.

Thank you for all the work you do☺

I look forward to working with you all and wish you a great start to the new school year.
