

## **Negotiations Update – July 26, 2011**

Representatives from TEA attended the TUSD Special Board meeting on Tuesday, July 26, 2011. *We delivered Collaboration postcards to Dr. Pedicone encouraging the District to use teamwork with their employees.* Our goal with the postcards was *to promote collaboration to build trust, respect and inclusion* with all stake holders in the district.

*We appreciate* our TEA members' willingness to give of their valuable time. The efforts of our TEA Leaders, representatives, and members have enabled us to *get closer to resolving the negotiation concerns* with the District.

As many of you are returning to your classroom and building sites and already beginning the work of a new school year, *we need your participation and input so that you will have a voice in the work that you do.*

*The next TUSD Board meeting will be on August 9<sup>th</sup> and the District "Welcome Back" will be on August 10<sup>th</sup>.* Please check our website and/or Social media for how to participate in these events. *We want a very strong presence at the Welcome Back. Please wear red and stop by the TEA table for information and member gift.*

**Thank you for the work that you do!**
